

Dear Parents

This is to inform you that we are organizing an educational field trip to ICAR- IIMR(Indian Institute of Millets research), Rajendranagar on the 14th September'18 for grades 7 and 8 from attapur and katedan branches. Students are requested to bring along the requisite stationery (chart papers , colour pencils, A4 sheet) for theme drawing and essay writing competitions to be held at the institute after the field visit.

Timings- 9.30 am to 2.30 pm.

Topics for the competitions:

I- Essay writing- "An agriculture career- opportunities in india and around the world ". Or "Organic agriculture in india and around the world .

II- Theme drawing- "Reduce plastic use- save our planet" or "plant a tree- protect our environment".

Note- All the students(including students who opted for cafeteria) are requested to bring their respective lunch and snacks for the day.

Thanks,

SGS
